Testimonials

2017 Secondary & Higher Education Fair

Sheridan College

Gabriela Facchini / Manager

"I believe Sheridan College will benefit from being here. The venue here is very good. We have a steady stream of interested students. We've had a chance to present these students with information regarding our programs and opportunities."

European University Business School

Katja Misimovic / Recruitment Manager

"The students visiting the fair have been asking the right and focused questions. Students stopping by at our table know what they are interested in and are prepared."

JAMK University of Applied Sciences

Pavlos Tarasanski / Education Export Officer

“The fair is very well-organised and perfectly executed. For JAMK, it has been very important to enter the Turkish market and this fair has provided this very good opportunity for us. We’re very happy with the number of visitors as well as their diversity. They have taken interest in almost all of the programmes we offer in the Bachelor’s Degree and Master’s Degree levels. We are definitely willing to attend StudyExpo in the future again.”

Bronte College

Clarence McNie / Marketing Manager

“I have met quite a number of students and families, and they have been the type of the audience we have been looking for. It was easy to converse with the families in English. It has been very easy for me to interact with them. The venue is an ideal and accessible place to hold the event.”
