

Secondary Education Virtual Fair 13 February 2021 / 11:00-16:00 (GMT)

Demand for overseas secondary education is continuing to increase despite the epidemic.

More and more Turkish families are searching for high-quality secondary education for their children in a safe environment in overseas.

StudyExpo Secondary Education Virtual Fair event is introducing overseas secondary education providers across the globe to promote their programs directly to Turkish parents.

A day-time private high ranked secondary school year costs from € 8,000 to € 11,000 in Turkey

In 2019/2020 academic year, 5.6 million students studied in Turkish Secondary Education Institutions. 13,1% of these students preferred private secondary schools mainly for academic reasons. There are more than 13.800 private education providers from Primary to Secondary school levels.
